These programmes are managed by the
project director and the social development and
education coordinators, with oversight from the
Anglican Church office in Addis Ababa.

As well as church programmes such as
translation workshop, meetings of regional
advisory council, theological education by
extension and ordination retreat.

Construction is nearing completion

Opening of Gambella Anglican Centre

Tuesday 16th November 2010

Please give thanks with us for all those who have helped the dream of an Anglican training centre in Gambella, reaching out to serve the community, become a reality.
